

The Alberta Livestock Power Services (ALPS) program is a partnership with AltaGasEnergy and the Alberta Cattle Feeders, Alberta Pork, Alberta Turkey, Alberta Chicken, Alberta Egg and Alberta Hatching Egg Associations. AltaGas Energy is a Calgary based, registered, power and natural gas retailer licensed by the Alberta government to service all customer groups within Alberta. Under ALPS, AltaGas is able to bring Electricity and Natural Gas services to agricultural producers under an Energy Aggregation program. The benefits of the ALPS program are: - Bulk purchase pricing

- Annual Participation to members
- No retail charges or delivery markups for the term of the contract;
- Ease of switching, all facilitated by AltaGas
- Easy-to-read consolidated invoicing delivered monthly via email.
- Automatic billing validation process
- Convenient calendar month billing periods
- Choice of electronic payment terms
- Online support for service and billing inquiries
